SERVICE PLAN

M A D E W I T H S O U L

From perfecting the rotary engine and winning the Le Mans race the first time we entered it, to breaking the world record for the most-sold two-seater convertible in history, we are driven forward by the desire to defy convention. We believe that if you can imagine it, we can make it happen.

This desire is the fuel behind everything we create and achieve and now, it has given us **SKYACTIV TECHNOLOGY**, '**KODO – Soul of Motion**' design and countless other successes that were once considered impossible feats. These pages show how striving to do what others cannot is not only rewarding but also integral to creating innovative, beautiful cars.

MAZDA CX-5

THE SPIRIT IN MOTION

The refined Mazda CX-5 is more than the harmony of quality design, elegant finishes and unmatched performance. It's a car that sparks a harmony of emotions. Joy. Exhilaration. The sense that all is right with the world and you're exactly where you're meant to be. This is Mazda's signature "KODO – Soul of Motion" brought to life every time your fingertips brush the steering wheel. Of course, you'll still enjoy the elegantly designed alloy wheels, the sophisticated front grille, LED headlamps and rear combination lamps. You'll still grace the roads with an aesthetic that is as considered as it is beautiful. You'll just experience an unmistakable connection with your soul as you do.

CONNECTING FEELING WITH FUNCTION

The emotion you feel in a Mazda CX-5 is ignited by the features for which Mazda is famous. Everything about the car testifies to the breakthrough performance and efficiency of Mazda's new-generation **SKYACTIV TECHNOLOGY**. A smooth ride and athletic responses are just the start. Both petrol and diesel engines offer plenty of torque with low fuel consumption. Manual and automatic transmissions have been developed to increase responsiveness while all elements of the chassis – from brakes to suspension to steering – have been refined to provide a higher-quality ride that never compromises on performance. Available in three engine types, you'll discover improved responsiveness on acceleration and enhanced fuel efficiency.

Intelligent i-ACTIV AWD* monitors and predicts road conditions, so the Mazda CX-5 can adjust its performance to deliver impressive real-world fuel efficiency and a superior drive every time. You'll also experience a quieter ride than ever before because everything from aerodynamics to construction materials have been considered to ensure less road, tyre and wind noise. *Standard on 2.5L Individual and 2.2L DE Akera models.

The Mazda CX-5 has SKYACTIV-VEHICLE DYNAMICS, a series of technologies that integrates control of the engine, transmission, chassis and body to enhance the sense of oneness between car and driver, which is referred to as Jinba Ittai. All of this adds up to an exceptional drive that feels like it's been crafted just for you.

SKYACTIV-G 2.0L & 2.5L PETROL ENGINE

The SKYACTIV-G engines deliver impressive fuel economy along with powerful torque at low to mid-range speeds. This combines with linear acceleration response and an exhilaratingly powerful feel, allowing you to enjoy a quality drive in all situations. The 2.0L delivers 121 kW of power and 213 Nm of torque, using from only 6.8L of fuel every 100 km. The muscular 2.5L engine punches out 143 kW and 258 Nm, using just 7.3L of fuel every 100 km.

SKYACTIV-D 2.2L DIESEL ENGINE

The clean-running SKYACTIV-D 2.2L engine produces 140 kW of power and a muscular 450 Nm of torque using from as little as 5.7L of fuel every 100 km. The compression ratio of 14.0:1 is one of the lowest in the world for such an engine and means less friction and inertia for higher-revving and more exciting power. It also features a Natural Sound Smoother and Natural Sound Frequency Control, which reduce and suppress knocking noises. It all adds to a smooth and quiet drive.

i-ACTIV AWD INTELLIGENT ALL-WHEEL DRIVE SYSTEM*

Mazda's i-ACTIV AWD is a predictive, on-demand AWD system that anticipates front tyre slip and applies just enough torque to the rear wheels to prevent slipping from occurring. *Standard on 2.5L Individual and 2.2L DE Akera models.

SKYACTIV-MT MANUAL & SKYACTIV-DRIVE AUTOMATIC TRANSMISSION

The 6-speed manual transmission delivers precise, sports-car style shifting as well as enhanced operability. The 6-speed automatic transmission combines the best attributes of conventional automatic, continuously variable and dual-clutch transmissions while a new gearshift control predicts operating intentions.

BODY

New-generation design and technologies take performance to unmatched levels. The underbody employs straight-frame construction, which runs uninterrupted through the framework to boost stiffness while saving weight. Front and rear suspension mounting pools bond directly to the underbody to add further strength. Greatly increased use of high and ultra-high tensile steel throughout cuts weight without compromising strength. Despite being light, the Mazda CX-5 disperses crash energy in multiple directions to achieve collision performance among the world's best.

CHASSIS

Every component has been designed to create an unrivalled sense of oneness between car and driver. The steering wheel's system structure has been optimised to achieve both excellent vibration insulation and high rigidity. The suspension has been revised, millimetre by millimetre, to achieve a gentler and higher-quality ride. This improved suspension means the braking system has also evolved to achieve shorter braking distances with outstanding performance.

SAFETY FEATURES

SAFETY THAT'S READY FOR THE UNEXPECTED

A priority of the Mazda CX-5 is to maximise the safety of every passenger on board. Built with a rigid body frame, every model is equipped with 6 SRS airbags, Dynamic Stability Control (DSC), Emergency Brake Assist (EBA), as well as Electronic Brake-force Distribution (EBD) to ensure your safety.

LANE DEPARTURE WARNING (LDW) AND LANE KEEP ASSIST (LKA)

The Lane Departure Warning system (LDW) detects line markings on the road surface and warns the driver of unintentional lane departures. This system is particularly effective in situations where the road is continuously straight and drivers have a tendency to not pay sufficient attention to the road. The Lane Keep Assist (LKA) promotes safer driving by providing appropriate steering assistance. The system works to prevent unintentional lane departures through steering assistance, to return the car towards the centre of the lane.

Standard on Carbon Edition, Individual and Akera models.

SMART CITY BRAKE SUPPORT (SCBS) – FRONT & REAR

The Smart City Brake Support system (SCBS) is a safety feature that helps prevent or lessen low-speed impacts. The system monitors the vehicle in front to assess the possibility of a collision at forward speeds of 4 - 80 km/h. In an event that the system detects a high-risk impact, it then issues visual and audible warnings and primes the brakes for a faster response should the driver brake.

Standard on Carbon Edition, Individual and Akera models.

DRIVER ATTENTION ALERT (DAA)

Driver Attention Alert (DAA) is designed to reduce accidents caused by inattentiveness due to driver fatigue. The system is activated at speeds above 65 km/h and begins eg. 'learn' the driver's habits, watching inputs and the vehicle's movements in the early stages before fatigue is a factor. Later, if the system detects changes in vehicle behaviour that suggests the driver may be losing concentration, it will suggest a rest stop by sounding a chime and displaying a warning in the Head-Up Display (HUD).

Standard on Carbon Edition, Individual and Akera models.

BLIND SPOT MONITORING (BSM)

The Blind Spot Monitoring (BSM) uses radars mounted in the rear bumper to detect vehicles approaching from behind and in the adjacent lane audible alert in the event that a vehicle is detected in your vehicle's blind spot and assists the driver by scanning the external mirrors' blind spot. The radar is able to detect any unseen vehicles and through an LED icon, alert the driver to help avoid making hazardous lane changes.

Standard on Carbon Edition, Individual and Akera models.

ADAPTIVE LED HEADLAMPS (ALH)

Individual control of several LEDs allows precise adjustment of the lighting pattern. The system automatically broadens visibility at low speeds, shapes the high beam to help avoid dazzling other drivers and raises beam height at highway speeds to extend vision area.

Standard on Carbon Edition, Individual and Akera models.

REAR CROSS TRAFFIC ALERT (RCTA)

Have you ever had to hit the brakes suddenly when backing out of a parking space because you didn't see a vehicle coming from the side? Rear Cross Traffic Alert (RCTA) is designed to help you make sure it's safe to start backing up. The system uses the same radars and indicators as BSM to watch for vehicles coming from both sides and alert the driver when they come near.

Standard on Carbon Edition, Individual and Akera models.

HEAD-UP DISPLAY (HUD) – WINDSHIELD

Mazda's Head-Up Display (HUD) shows important driving information like current speed, next turn directions from the integrated navigation and safety alerts. It is positioned directly in front of the driver, which means it feeds you all the information without you needing to take your eyes off the road. You can adjust the height at the display to match your eyeline.

Standard on Carbon Edition, Individual and Akera models.

CONVENIENT TECHNOLOGY

The Mazda CX-5 represents the latest in connectivity and infotainment. USB ports are situated in the front and rear of the cabin to accommodate all of your devices. Up front, MZD Connect allows you to safely access your compatible smartphone's contacts, social media and music. Standard on all models. Integrated navigation* guides you from a large, upright touchscreen controlled by a commander dial. The exceptional 10-speaker BOSE® Sound system* is integrated seamlessly throughout the interior. Listen to music, radio and podcasts from a wide range of sources, including Pandora®, Stitcher™ and Aha™. *Standard on Carbon Edition, Individual and Akera models.

THE CONNECTED SUV

Comfort, technology and spaciousness meet quality finishes everywhere you turn. The elegantly crafted cabin surrounds the driver with carefully positioned controls. The full-colour Head-Up Display (HUD)* means crucial driving information is right there in the driver's line of sight. From the higher, more angled centre console to the redesigned instrument panel, as well as the use of space and storage across front and rear rows, the Mazda CX-5 is a triumph of design. *Standard on Carbon Edition, Individual and Akera models.

**MAZDA CX-5
2.0L ACTIVE
FWD (MANUAL/
AUTO)**

2.0L ACTIVE FWD FEATURES INCLUDE:

- Max Power (kW @ rpm): 121 @ 6,000
- Max Torque (Nm @ rpm): 213 @ 4,000
- Keyless Entry
- LED Headlamps
- Auto Headlamps Levelling
- Heated outer mirrors
- Privacy glass: Green (Rear side & Back)
- Front rain-sensing wipers
- Multi-function steering wheel with controls
- Cruise Control
- Air-conditioning: Dual-zone climate control
- Rear air vents
- Trip Computer
- Auto-dimming rear view mirror
- Rear seat fold down (40:20:40)
- Rear seat armrest: x2 USB charging ports
- Overhead sunglass storage box
- Rear tonneau cover (boot)
- MZD Connect System
- 8-Inch Display Screen
- Commander Dial
- Apple CarPlay® and Android Auto™
- USB connectivity: 2 Ports
- Bluetooth® hands free system
- 6 Speakers
- Hill Hold Assist (HHA)
- Child restraint anchor points (ISOFIX)
- Airbags SRS: Driver, Passenger, Side & Curtain
- Electronic Parking Brake (EPB)
- Reverse Camera
- Seat trim: Black Cloth
- Vanity mirror (front) with illumination
- Leather-wrapped steering wheel & gear shift knob
- Auto door lock
- Power fold outer mirrors
- Burglar Alarm System
- Tilt and telescopic adjustable steering wheel
- CD Player & AUX
- Front centre console with cupholders
- Rear spoiler with high mounted stop lamp
- 2-Piece luggage floor board
- Rear Combination Lamps (RCL)
- 17" Alloy Wheels - Silver Metallic

MULTI-FUNCTION LEATHER STEERING WHEEL WITH AUDIO CONTROLS

8-INCH DISPLAY SCREEN WITH MZD CONNECT SYSTEM

AIR-CONDITIONING: DUAL-ZONE CLIMATE CONTROL

**MAZDA CX-5
2.0L DYNAMIC
FWD (AUTO)**

2.0L DYNAMIC FWD FEATURES ADDITIONAL TO 2.0L ACTIVE FWD INCLUDE:

- Smart Keyless Entry
- Auto fold outer mirrors
- Seat trim: Black Leather
- Front seat adjustment: 8-Way Power adjustable (Driver)
- Power lumbar support (Driver)
- Paddle transmission switches

REVERSE CAMERA

SMART KEYLESS ENTRY

AUTO & POWER FOLD,
HEATED OUTER MIRRORS

MAZDA CX-5 2.0L CARBON EDITION FWD (AUTO)

2.0L CARBON EDITION FWD FEATURES ADDITIONAL TO 2.0L DYNAMIC FWD INCLUDE:

- Daytime Running Lamps (DRL)
- Pedestrian Brake
- Adaptive LED Headlamps (ALH)
- Front seat adjustment: 8-Way Power adjustable (Driver & Passenger)
- Memory seat: x2 Mode Setting (Driver)
- Head-Up Display (HUD): Windshield Display
- BOSE® Sound system with 10 speakers
- Integrated Navigation
- Parking sensors: Front & Rear
- Blind Spot Monitoring (BSM)
- Rear Cross Traffic Alert (RCTA)
- Lane Departure Warning (LDW)
- Lane Keep Assist (LKA)
- Smart City Brake Support (SCBS): Front & Rear
- Driver Attention Alert (DAA)
- 19" Alloy Wheels - Black Metallic
- Carbon Edition Package
 - Leatherette seat trim: Leather & Suede combination
 - Red stitching: Steering Wheel, Gear Lever, Knee Pads, Front center console & Seats
 - Black film: Dashboard & Door panels
 - Glossy black outer mirrors

BOSE® SOUND SYSTEM WITH
10 SPEAKERS

RED STITCHING: STEERING WHEEL, GEAR LEVER,
KNEE PADS, FRONT CENTER CONSOLE & SEATS

BLACK FILM: DASHBOARD &
DOOR PANELS

MAZDA CX-5 2.5L INDIVIDUAL AWD (AUTO)

2.5L INDIVIDUAL AWD FEATURES ADDITIONAL TO 2.0L CARBON EDITION FWD INCLUDE:

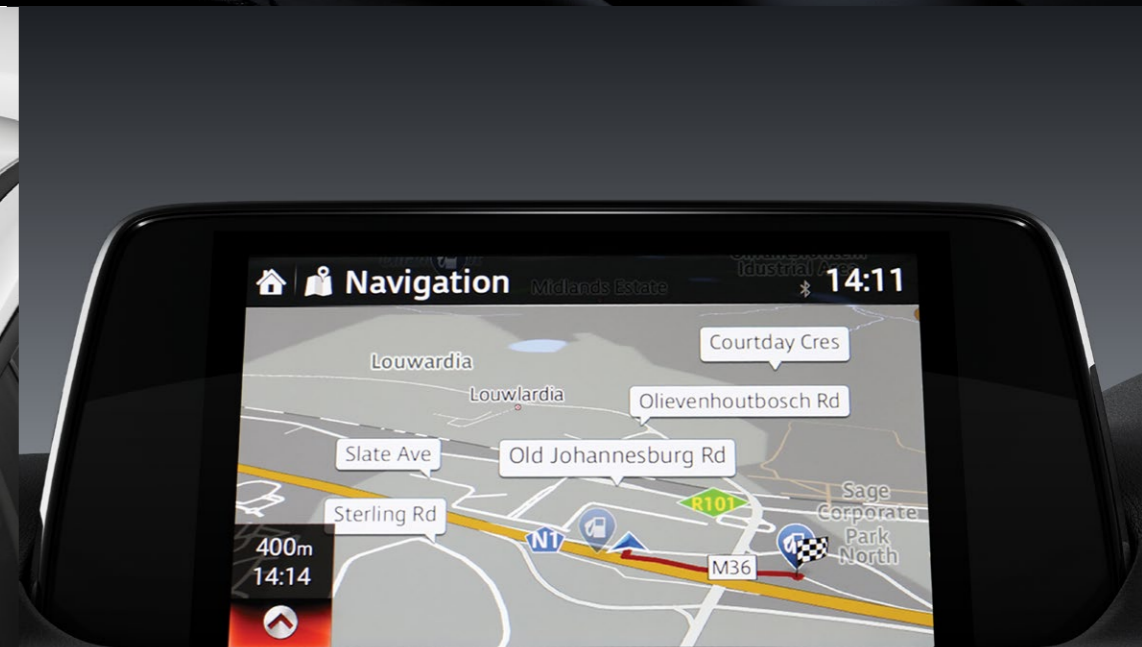

- Max Power (kW @ rpm): 143 @ 6,000
- Max Torque (Nm @ rpm): 258 @ 4,000
- 360° View Monitor
- All-Wheel Drive (AWD)
- Sunroof: Power slide & tilt glass
- Seat trim: Black Leather

HEAD-UP DISPLAY (HUD):
WINDSHIELD DISPLAY

3-YEAR MAZDA UNLIMITED KILOMETRE WARRANTY

Every Mazda is designed and built to the highest standards of performance and reliability. For reassurance, our Mazda vehicles are backed up by a 3-year Unlimited Kilometre Factory Warranty.

3-YEAR MAZDACARE ROADSIDE ASSISTANCE

Mazda cares about your peace of mind. That's why we offer a 3-year Unlimited Roadside Assistance Plan. It includes toll-free calls and services such as emergency medical help and free towing rescue due to minor or major mishaps.

3-YEAR MAZDACARE UNLIMITED KILOMETRE SERVICE PLAN

MazdaCare has designed a service plan to suit your needs. It covers scheduled services for 3 years, regardless of your mileage. The service plan operates alongside the Mazda Unlimited Kilometre Warranty.

Service Inspection Symbols

I - Inspect
R - Replace
C - Clean
S - Set
T - Tighten

Remarks

*(1) - Implement fuel injection amount correction.

*(2) - Also inspect all auxiliary belts, if installed. If the vehicle is operated primarily under the following conditions, inspect the drive belts and auxiliary belts more often than recommended (Servicing Dealer to advise customer accordingly).

a) Driving in dusty conditions or in a mining area.
b) Extended periods of idling continuous low-speed operation.
c) Short distance driving.
d) Operating the vehicle in extreme cold or hot conditions for long periods.
e) Driving the vehicle in mountainous conditions for long periods.

*(3) - If the vehicle is operated primarily under the following conditions, inspect the drive belts and auxiliary belts more often than recommended (Servicing Dealer to advise customer accordingly).

a) Driving in dusty conditions or in a mining area.
b) Extended periods of idling or continuous low-speed operation.
c) Short distance driving.
d) Operating the vehicle in extreme cold or hot conditions for long periods.
e) Driving the vehicle in mountainous conditions for long periods.

*(4) - Use only manufacturer-specified coolant.

*(5) - If the vehicle is operated in dusty or sandy areas, the filters must be inspected, cleaned or replaced more regularly (Servicing Dealer to advise customer accordingly).

*(6) - If operating the vehicle in extreme cold or heat, inspect electrolyte and specific gravity more regularly (Servicing Dealer to advise customer accordingly).

*(7) - Replace the brake fluid more regularly if the vehicle is continuously loaded, driven in mountainous conditions, exposed to hard driving conditions or operated in humid conditions.

*(8) - If the vehicle is subjected to the following conditions, the differential oil need to be replaced at 60 000 km.

a) Towing.
b) Driving in dusty conditions or in a mining area.
c) Short distance driving.
d) Operating the vehicle loaded continuously.
e) Driving the vehicle in mountainous conditions for long periods.

*(9) - Replace if the component or vehicle was submerged.

*(10) - Perform wheel alignment more regularly if the vehicle is used on rougher road surfaces, driven off-road or on dirt roads (Servicing Dealer to advise customer accordingly).

MAZDA CX-5 2.0L SERVICE AND PRICING GUIDE
